GLD

ORG

PK

PGLW

RBO

SV

FEATURES

- Reflective micro scales are visually appealing and mimic descaling prey
- Shad flavor emulates real shad, top prey for Crappie
- Enough attractant in each tube for ~150 applications and will stay on/in a tube 15-30 minutes
- Squeeze inside tubes or used topically on cranks

The Johnson Shad Scale Kit is a 41pc kit including five different Crappie Buster plastic shapes and colors and a sample tube of the tournament winning Shad Scales attractant. Each plastic is hollow and designed to swim and react at ultra slow trolling speeds. The chartreuse Shad Scales can be injected in plastics or used topically on cranks. Shad Scales has a shad attractant built into the gel material along with thousands of microflocks, that when applied to a bait, slough off emulating descaling prey. Each sample tube of Shad Scales will be enough to fill 100 tubes and will last 15-30min inside a bait.

FEATURES

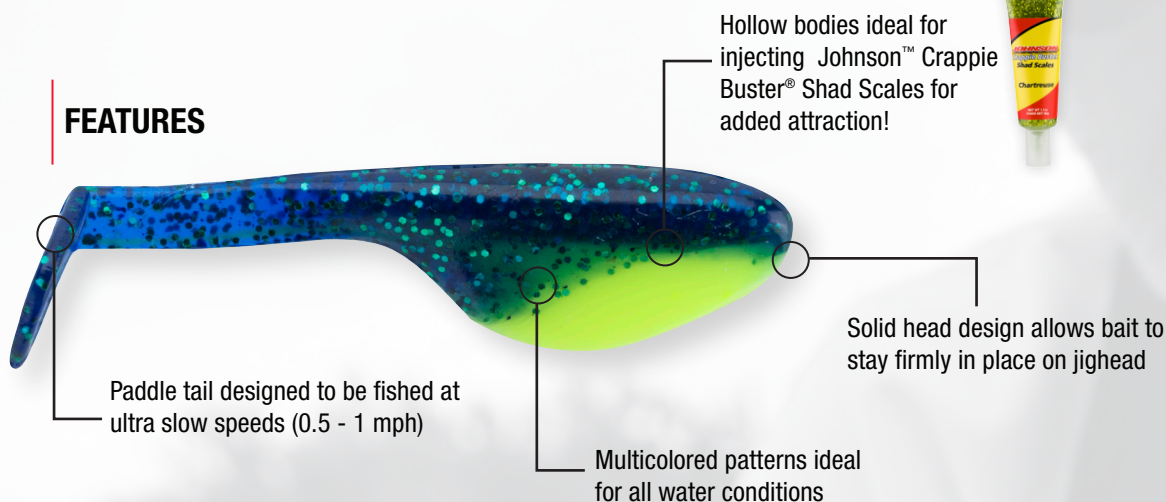

- 41pc kit
- Kit contains eight pieces each of Crappie Buster 2" Shad Tails (Lemon White), 2" Shad Swimmers (Junebug), 2" Shad Tubes (Pink Chicken), 1 3/4" Tubes (Black Chartreuse Glow & Red Chartreuse Glow), and 7/16oz Shad Scales (Chartreuse) sample tube.
